40% Enrollment Is Seen At Morehead College In 2 Years

A phenomenal 40 per cent enrollment increase in two years is the record of growth of Morehead State College according to recent figures by the Registrar's office. A fall semester registration of 1,063 on-campus students was announced by Linus A. Fair, registrar.

This enrollment increase is well above the national average, college officials pointed out, and has occurred in an area in which the general population has decreased in recent years. The college has expanded much more rapidly than was predicted last year in a study by the Southern Regional Education Board, which estimated a probable enrollment increase of 35 per cent by 1960.

Morehead's expansion is attributed by the administration to "the encouragement which alumni are giving to high school graduates to attend Morehead, the contacts which the president and staff members are making with schools in the area, the services which the college is rendering, and the type of program and friendly atmosphere which the college provides."

Enrollment for the fall semester of 1953-54 was 738; it rose 20 per cent last year to a record-breaking 916, and increased another 20 per cent this year to the current figure of 1,063.

Students now on campus include 949 from 53 Kentucky counties, 112 from 13 other states, and two from the Republic of Korea, according to Linus A. Fair, registrar.

First Memorial Scholarship Awarded To Lucille Dailey

The person chosen to be the first recipient of the Georgia Mullins Scholarship is Miss Lucille Dailey of Soldier, Kentucky.

1955 graduate of Olive Hill High School, Miss Dailey was selected on the basis of scholarly achievement, leadership, dependability, interest in sports, and her desire to teach physical education.

Miss Dailey, daughter of Mrs. Nora T. Dailey, is eighteen years old. She has three sisters and four brothers. She is a member of the Baptist Church.

When interviewed, Miss Dailey expressed interest in the Dramatics Club and the Trail Blazer staff in addition to the Women's Recreation Association.

Lucille Dailey

Mr. Jesse T. Mays, head of the Industrial Arts Department, was named a member of a committee that will work towards developing standards in establishing and approving industrial arts departments in the State. The appointment was made by Wendell P. Butler, Superintendent of Schools. (Continued On Page 6)

Lucille Dailey

years so long as the recipient maintains the standards set up by the selection committee.

Students Here Get Free Chest X-Rays

Free Chest X-Rays were available to Morehead State College students last week. A mobile unit was on campus three days, and every student was required to have an X-Ray made for his health record.

The chest x-ray program is quite simple in operation. The technician takes a small picture of the chest, and this is sent to Louisville where it is read by an x-ray specialist. Within three or four weeks, each student x-rayed here will be notified of the results of his x-ray. The greater majority will probably receive negative reports. Those who receive positive reports will be asked to consult their family physicians for further examination.

New Little Theatre Under Construction In T. H. Basement

By Barbara Henney

A new Little Theatre for Morehead State College is in the making in Thompson Hall basement.

The area, which at various times has housed a chemistry lab, a Navy center, and offices for school publications, will take on a new look as remodeling work is completed. Plans call for construction of a theatre suitable for arena as well as proscenium staging, according to W. P. Covington, III, assistant professor of drama and speech. Work already completed by the Buildings and Grounds Department includes the moving of partitioning walls to form an auditorium and a number of special rooms.

Plans include a make-up room with built-in tables around all the walls. Mirrors surrounded by lights will be an important feature. The use of colored lights will enable actors to make up under lighting similar to that used in the particular performance.

A costume room will be used in the designing and creating of costumes. It will be equipped with the department's tailoring sewing machine and a floor-to-ceiling wardrobe for storage of costumes formerly consigned to boxes.

Schedule Of Events For Homecoming

- 9:00 a. m. — 12:00 Noon — Open House at Fields Hall, Senior Hostess.
- 10:00 — 11:00 — Alumni register in lobby of Administration Building.
- 11:00 — Parade.
- 11:00 — Business meeting of Alumni Association in Breck Auditorium.
- 2:00 — Football game.
- 4:30 — Barbecue for alumni at Bishop Lot.
- 9:00 — 12:00 — Homecoming Dance in gym.

Here Are Candidates For Queen

The following upperclass girls have been chosen by the student body as candidates for Homecoming Queen:

Barbara Faye Allen, a senior from Raceland, Ky.; Dean Brown, a sophomore from Carr Creek, Ky.; Joyce Brown, a sophomore from Morehead, Ky.; Betty Ann Ewen, a senior from Lothair, Ky.; Judy Hickey, a sophomore from Bethel, Ky.; Peggy Ingram, a senior from Mt. Sterling, Ky.; Sara Glenn Lane, a junior from Morehead, Ky.; Phyllis Ann Perry, a sophomore from Pomf, Ky.; Shirley Lou Potter, a junior from Raceland, Ky.; Margaret Vincent, a senior from Soldier, Ky.; Carole Scott, a sophomore from Ashland, Ky.

Homecoming Float Ronald Hamilton Named

The new president of Beta Chi Gamma is Ronald Hamilton. Howard Setzer was elected vice-president. The club was formed with elected officers and Shirley Fanning reporter.

The regular meeting of the organization was held Tuesday, October 4. A program committee was selected and plans for a float to be jointly sponsored by the A.C.S. and Beta Chi Gamma were discussed.

Former Student Here Is West Point Graduate

David Wayne Polley, of Whitesburg, Ky., graduated from West Point Academy, West Point, N. Y. in June, 1953.

Mr. Polley graduated with high honors (upper 195 of his class). He is the son of Mr. and Mrs. Lindsay Polley of Letcher County.

Floats aplenty will welcome "old grads" back Saturday. Floats from various classes and club groups for the distinction of having the winning entry.

Campus Club Aims, Traditions Told

The Campus Club was founded in the early 30's as a result of the desire of several of the leaders of the campus to have some organization to honor leaders, socially, generally promote projects to leaders in all branches of study and activities. The constructive aims of the club were and still are to better the school socially, generally promote projects for a better Morehead College and endeavor to improve college fellowship.

To become a member a man must (1) be an upperclassman, (2) have been enrolled at Morehead for one semester, and (3) have a standing of one point (two under the new four point standard). These however, are only the technical requirements. Preference is given to men who are outstanding in college activities and scholarship, and effort is made to choose men from various fields of curriculum and extra curricular activities.

There are a number of projects which the Campus Club sponsors annually. The annual Spring Dance is always the highlight of the year's social life. The gathering of the baskets for the needy at Thanksgiving time is always looked forward to as one of their most

SO BIG EAGLE TEAM, WE ARE WITH YOU ALL THE WAY.

New Campus Club officers assume angelic expressions for the benefit of the TRAIL BLAZER. Left to right seated: Joe Wheeler, president; Harold Snyder, vice-president; Larry Looney, secretary; Gus Sturges, treasurer; Jack Johnson, reporter.

Student Helps Set Up New Card Process

An idea by a Morehead State College senior resulted in the new laminated identification cards issued to Morehead students this semester.

The senior, William A. Saulsberry, Olive Hill, suggested the purchase by the college of a laminating press and voluntarily assisted in the installation of the press, according to Dr. Norman Tait, professor of education and audio-visual aids specialist.

The machine, which arrived Sept. 28, operates on a system of baking and pressure, and will laminate any card which is five by six inches or smaller.

In addition to the identification cards, the press is being used for laminating photographs, registration cards and other items. A display of work done by the press will be shown in the College Bookstore, and students may leave their order there, it has been announced.

Cost for laminating a billfold size card is 20 cents. Other cards—two and one-half by three inches or larger—will cost 75 cents. All cards may be finished with a background of red, blue, gold or brown.

Parade Of Floats, Football Game, Dance On Menu

Morehead alumni will return to the campus Saturday for the annual Homecoming festivities. A full day's schedule of activities for students and visiting grads will be highlighted by a parade, the football game with Middle Tennessee, and the traditional Homecoming Dance.

The 10 a. m. parade through the town of Morehead will be led by the college marching band. Floats entered by campus organizations and classes will compete for the Alumni Association plaque for best decoration, which will be awarded at the Homecoming Dance. The parade will form at 9 a. m. at the stadium.

The Homecoming Queen, to be selected by popular vote of the student body, will be presented with her court of 10 campus beauties during the half-time at the football game. Game time is 2 p. m.

Alumni and students will wind up the day at the formal Homecoming Dance, to be held from 9 to 12 in the college gymnasium. The dance will be presided by the Alumni Club, and made up by the Clyde Trask band. This 12-piece ensemble, vocalists, and a drum line will play music for the evening over radio station WLW.

Featured at the dance will be the Alumni Association award for the best-decorated downtown window display on the Homecoming weekend will be presented by Steve Hamilton, president of the Student Council.

Other alumni activities will include a business meeting at 11 a. m. in Breckenridge Training School Auditorium, and a barbecue, immediately following the football game, at Bishop Lot opposite the Science Bldg.

Alumni will register in the lobby of the Administration Bldg., beginning at 9:30 a. m. Coffee will be served by the Alumni Association.

An open House, in charge of senior women students, will be held at Fields Hall from 9 a. m. to 12 for visitors and faculty members.

113 Attend Cheerleading Clinic Here

The college's annual Cheerleaders Clinic October 1 was attended by 113 cheerleaders from 15 schools and their sponsors, according to Miss Henrietta Arent, physical education director.

The visitors, representing 23 schools in the Morehead area, were guests of the college for the clinic and for the afternoon football game of Morehead vs. Tennessee Tech.

The clinic program, held at 10 a. m. in the college gymnasium, included talks by Morehead staff members and students, and demonstrations by the college cheerleading squad.

Functions and attitudes of cheerleaders' sponsors were discussed by Miss Arent. Cheerleading from the viewpoint of coach and player were discussed by Bob Laughlin, head basketball coach, and Steve Hamilton, player. President Adron Doran also addressed the group. A panel discussion, led by Morehead pep squad captain Dorothy Wynn, was participated in by the high-school delegates.

A Morehead yell was led at half-time during the football game by the entire group of visiting cheerleaders.

High schools which sent cheerleaders are: Breckenridge, Wolfe County, Hindman, Russell, John's Creek, Greenup, Wurtland, Catlettsburg, Flat Gap, Erie, Clark County, Olive Hill, Louisia, Prichard (Grayson), Martin, Western, Morehead, Hazel Green, Salversville, Portsmouth, Warfield, Fleming County and Paintsville.

Eagle Harriers Open Season With 23-38 Win Over Ohio U

Running in perfect cross country weather, Morehead's harriers opened their 1955 season by romping to an easy 23-38 win over the hill-and-dalers of Ohio University last Saturday (Oct. 1) on the latter's course.

The Moreheadians had victory at this meet with some trepidation, for it was to be contested at the distance of only two miles which is practically a sprint for cross country men. Ohio U. had requested this distance, because the school's athletes had reported late for practice. As it turned out, though, the Eagle squad need not have been worried. Except for two Bobcat runners, Frank Nixon and Walley Guenther, who placed 2nd and 3rd, the whole Ohio U. team looked to be badly out of shape.

One of the few defeats which Carl Deaton, distance ace of the Eagles, suffered last year was one by Nixon, number one distance runner of Ohio U. Few runners defeat Carl once. No one to date has defeated him twice. He proved this Saturday as he carved out a 35 yard triumph over Nixon, leading all the way in the race except for some 300 yards at the start. His

first mile was a fast 4:48, but he eased off in the second, as finished in 10:23.3. Nixon had 10:33.0 while Guenther hit the tape in 10:46.0.

Kenny Daugherty, newly-elected captain of the Eagles, probably would have broken up the Ohio U. duo except for a side which acted up. His 11:06.5 gave him an easy 4th place. The next three runners, all from Morehead, reached the tape almost together. Kenny Thompson took 8th in 11:17.5 while Paul Whitley, the rapidly-improving freshman from Louisville, outspurred to Ben Wheeler for 9th place, 11:18.5 to 11:20.5. The other freshman on the first string, Dick Wilson of Towanda, Pa., was 8th in 11:29.0. The "oldest" of the team, Jimmy Reed, took 5th by a half second in 11:51.0.

The Ohio U. course was a very easy one for cross country courses go. There was a slight hill in the second mile of it which the Bobcat runners thought was horrendous. A fine surprise is in store for the latter when they journey here on Nov. 5 for a meet over Morehead's suicidal layout.

Returning lettermen on this year's football squad are, left to right: Billy Adkins, Connie Pappas, Lawrence Adams, George Brown, Doner. Back row: Paul Outley, Tommy O'Hara, Bill Fisher, Eugene M. Hart and Don Hum.

Hilltoppers Take Measure Of Eagles In Defensive Battle

The Western Hilltoppers edged Morehead, 12-7, at Bowling Green last Saturday night in a hotly contested game.

Only inches separated Coach Shorty Jamerson's charges from upsetting the heavily favored Hilltoppers. Time ran out on the Eagles in the first half as quarterback Don McKenzie was stopped on the winners' goal line.

With approximately three minutes left in that half, tackle George Brown recovered a West-

ern fumble on the Morehead 38-yard line. McKenzie, playing what was probably the finest performance of his college career, began working the quarterbacking optional series to perfection, lateraling to right half Connie Pappas and fullback Ronald Hart occasionally, but mostly keeping the ball himself. The Eagles drove steadily down the field only to have their efforts thwarted by the clock.

The Hilltoppers had taken a 6-0 lead early in the first half when halfback Dave Brownning slid into the end zone for nine yards and a TD. Brantley's conversion attempt was wide.

After a scoreless third quarter, which featured two defensive stands by the Eagles inside their own 15-yard line, Western scored its second touchdown midway through the fourth. Quarterback Jerry Nassano capped the 45-yard drive by sneaking over from the one. Wilson's try-for-point was blocked by freshman guard John Flynn.

Morehead's Billy Adkins took the ensuing kickoff on his own 4-yard line and ran it back 29 yards to the thirty three. From that point the Eagles, not to be denied this time, drove sixty-seven yards for the score. McKenzie, Hart, and Pappas moved the ball for three straight first downs to the Western twenty-eight. Then Hart, taking a pitch-out from McKenzie on the option, sprinted down the sideline into the end zone. Denzil Ratliff booted the extra point to wrap up the scoring for the night.

Exam Blues Start Early For Coeds

By Jane Curver

Well, girls, maybe we were late and heavy prior to Tuesday night, but those physical examinations were enough to weaken the strongest of the lot.

If anyone of you could stand in line for three hours and then face those handsome doctors with a normal pulse, you've got real will power.

Of course, there are still those among us who will swear with their dying breath that those scales weighed at least ten pounds heavy.

And then there is the girl whose pulse was 112 who still

ACS Plans Activities, Beta Chi Gamma Head

A short meeting of the American Chemical Society was held Monday, October 3. President Howard Suter conducted the meeting.

A financial report was given by club secretary-treasurer, Frank Bryson. The year's social functions were discussed and a tentative date for a picnic was set.

The club decided to jointly sponsor a homecoming picnic with Beta Chi Gamma.

X-C Tracksters Score Twin Triumph Over Bellarmine

Friday, Oct. 7, was a historic-making date for the Morehead cross country squad. There was nothing special about a victory for the group. It had triumphed before, and no doubt will do the same again this season. There wasn't even anything unusual about the lopsided score, for the Eagles had won even more decisively upon at least one other occasion. What was extraordinary though, was the fact that Morehead fielded two teams on this particular day, and both of them beat the opposition decisively. Engaging Bellarmine - College (Louisville) over the latter's course, Team A galloped to a 15-44 win while Team B came out on top, 22-35. Five of the Morehead runners finished before the first Bellarmine athlete, Kenny Combs, crossed the line, and then all of the rest of the Eagle personnel, with one exception, concluded their efforts before the other Bellarmine men could score.

The meet was a double-duty affair, the first in which Morehead has participated. In this type of meet all the athletes run at the same time, but two different sets of scores are kept. It had the same effect, for scoring purposes, as if Bellarmine had met the two Morehead teams separately.

For four days last week Carl Deaton, Morehead's foremost exponent of "picking them up and putting them down," was in a greatly depressed state. First one local physician and then another had stated that he probably had a heart murmur. If true, his athletic days were at an end. A cardiograph at Lexington on Thursday, though, revealed that all was well with the "little man." He celebrated the good news by doing a fine 16:56 over a very soggy course.

Kenn. Tech Rumps Over Our Eagles

Spotting their rivals three touchdowns in the first three minutes of play, Morehead lost a third straight game of the season to powerful Tennessee Tech by the humiliating score of 0.

On the first play of the game, halfback Ken Wright went to his own left tackle for sixty yards and the TD. After three prehead plays TPI took the Eagles back to the Morehead 17-yard line and in two plays were lining on the losers 3-yard line to goal to go. The next play of Schwanger bowled over to make the score 13-0. The try for point was wide. Schwanger then covered a Morehead fumble on an ensuing kickoff on the losers' steen. On the Tennessee's first play, halfback Doug Caldwell tried left end for the score. Ten minutes later, Caldwell tried again, this time going 47 yards. Quarterback Alfred tried to pick up Tech's fifth touchdown towards the end of the second quarter on a sneak. ore at the half was 34-0 in favor of TPI.

The third period was scoreless. The winners hit for three TD's in the late stages of the fourth quarter. Morehead was at a decided disadvantage in the game due to the loss of five starters from the cup because of lime burns suffered the week before against Iron-Neuman.

James Williams Elected Beaux Arts President

James Williams was elected president of the Beaux Arts Club at the September 28 meeting. Other officers elected are Carroll Saunders, vice president and Margaret Vincent, secretary-treasurer.

The Beaux Arts Club is now open for membership. It was announced. All art majors are automatically installed if they wish to join. Students who are not art majors but are interested in membership are also urged to apply. These students will be voted on by the active members.

One of this year's activities will be the club's annual field trip to the Cincinnati Museum of Art.

Why do more college men and women smoke Viceroy than any other filter cigarette?

Because only Viceroy gives you 20,000 filter traps in every filter tip, made from a pure natural substance found in delicious fruits and other edibles!

1. Yes, only Viceroy has this filter composed of 20,000 tiny filter traps. You cannot obtain the same filtering action in any other cigarette.
2. The Viceroy filter wasn't just whipped up and rushed to market to meet the new and skyrocketing demand for filtered cigarettes. Viceroy pioneered. Started research more than 20 years ago to create the pure and perfect filter.
3. Smokers en masse report that filtered Viceroy's have a finer flavor even than cigarettes without filters. Rich, satisfying, yet pleasantly mild.
4. Viceroy draws so easily that you wouldn't know, without looking, that it even had a filter tip... and Viceroy costs only a penny or two more than cigarettes without filters!

That's why more college men and women smoke VICEROY than any other filter cigarette... that's why VICEROY is the largest-selling filter cigarette in the world!

Mays Named —

(Continued From Page 1)
Public Instruction.
Butler states, "The Minimum Foundation Program when it is fully financed makes it possible for an expanded program in Industrial Arts in Kentucky." In order to have good programs, it is necessary that criteria and standards be developed that will furnish guidelines in establishing and approving industrial arts departments in the State.
"This problem is so important," Butler stated in a letter to Miss Ella Ophelia Wilkes, associate professor of geography. During her trip, Miss Wilkes took over 200 colored slides, several of which were shown by her in the chapel program Sept. 29.
Miss Wilkes started her travel down the western coast of South America, through Colombia, Peru and Chile. A few days were spent in each country. From Santiago, Chile, she took the Andes to the Andes to Mendoza, Argentina.

Describes Political Tension, Scenery Of South America

Several days were spent in Mendoza, a wine-making center. Then she continued across the Pampas by train and arrived in Buenos Aires between the political revolutions. The city was, of course, in a state of tension. Miss Wilkes said.
From there to Montevideo, Uruguay, the trip was by freighter, as was the entire ocean-going part of her trip. "I found it a delightful way to travel," she said. "The food was excellent, the service was good, and the atmosphere of the ship was informal and friendly. The loading and unloading of freight at the various ports were extremely interesting, and the trips ashore worthwhile."
Miss Wilkes went by automobile to Sao Paulo, Brazil, where she was entertained in the home of Mrs. Nell Fair Clark, daughter of Morehead State College registrar Linus A. Fair.
She continued on to Rio de Janeiro by bus, and spent several days there. The last lap of the trip back to the United States was by airplane.
The trip was made during South America's winter season, and Miss Wilkes advised anyone contemplating the journey to take heavy clothing, as the hotels are heated inadequately by our standards.

We are proud...

English Profs Entertain New Faculty

A dinner party for new faculty members and their husbands or wives was given Sept. 24 by the couples in the English Department. The party was held in the department office in the basement of Thompson Hall.

Guests present were Mrs. Henrietta Tyndik, Mr. and Mrs. Milton Moore, Mr. and Mrs. Zingale, Dr. Margaret Heaslip, Mr. and Mrs. Sonny Allen, Mrs. Anne Hale and Mrs. Mary Northcutt. Other new faculty members were unable to attend.

Hosts and hostesses who were present were Dr. and Mrs. Guy Miles, Dr. and Mrs. James McConkey, Mr. and Mrs. W. P. Covington, Dr. and Mrs. John Long, Douglas Johnson, Mr. and Mrs. Arch Laceyfield and Mrs. Ethel Moore.

Dinner was served buffet style, with guests seated at card tables placed in the lounge area of the main English Department office room. Tables were decorated with candles and fall flowers.

The lounge, furnished three years ago, has been frequently used for student-faculty gatherings, as well as for informal class meetings. The room is equipped with furniture repaired or constructed by department members, and slip-covered by their wives.

Breckinridge To Have All Male Quartet

by Ronnie Bach
Breckinridge Training School will again have an all male quartet. Last year's all male quartet won a superior rating at the State Music Festival held at Lexington.

This year's quartet is composed of two seniors and two juniors. Johnny Duncan, Don Blair, Danny Pierce and Phil McBrayer form the group.

The quartet sings religious, popular or rhythm and blues numbers. A spokesman for the quartet said they will perform for various clubs and organizations this year.

Wesley Club Names Annette McMullen Prexy

The Wesley Club of Morehead State College elected the following officers and committee chairmen in a recent meeting: President, Annette McMullen; vice-president, Sharon Cole; secretary, Carolyn Brooks; treasurer, Johnny Stewart; World Christian Community Service chairman, Sara Glenn Lane; Worship chairman, Lucille Mayhall; Recreation chairman, Sharon Cole.

The Wesley Club is a student organization sponsored by the Methodist Church, but interdenominational in membership. The prime objective of the group is to stimulate a spiritual atmosphere combined with fellowship and recreation for all interested students.

The club is making plans for this year's State Methodist Student Movement Conference which will be held at Morehead the third week-end in November.
